

DATA MAP – AVC

West Midlands Pension Fund

Member decides to make additional voluntary contributions (AVCs)

Member contacts Prudential to arrange AVC.

Prudential will contact your employer to set up payments from your salary.

Prudential notify the Fund of your contract with them to pay AVCs.

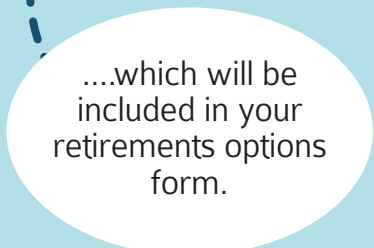

Prudential will notify the Fund if you change your contribution to your AVC...

...or if you cease to continue paying.

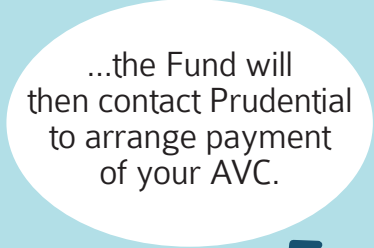

When you retire the Fund will contact Prudential to obtain a value of your AVC...

...which will be included in your retirements options form.

Depending on your option at retirement...

...the Fund will then contact Prudential to arrange payment of your AVC.
