## Welcome to the 2009 Edition of Pensions Update

Another year has passed for the West Midlands Integrated Transport Authority (ITA) Pension Fund; the market value of the Fund at the end of the 2008/09 year stood at £311.2m.

As you would expect due to recent events, investment issues are at the forefront of all pension fund managers' minds and the Fund has maintained a cautious approach to investing during the recent difficulties within the financial markets.

You'll be aware that all the Local Government Pension Scheme (LGPS) funds across England and Wales are, in any event, backed by central and local government – so your pension benefits are guaranteed, no matter what the financial markets bring.

Details of the exact benefits to be provided are set out within the relevant rules and regulations of the Scheme. The regulations themselves are formulated and written by The Department for Communities and Local Government (CLG).

Should you wish to check the latest position of the LGPS or wish to view further Scheme literature, the administrator's website [wmpfonline.com](http://wmpfonline.com) has a wealth of information for members.

As ever, if you wish to ask the administrators any related questions about the information provided, a complete list of contact details are provided on the rear of this update.

You may also wish to view the CLG website which can be found at: [www.xoq83.dial.pipex.com](http://www.xoq83.dial.pipex.com)

The site also contains details of any consultative documents along with details of how you can comment on any proposals being put forward for the LGPS. ## The Pensions Advisory Service (TPAS)

TPAS can normally deal with your problems by explaining your rights and responsibilities. TPAS is the official organisation that you should contact first if you have a pension dispute which you have not been able to settle through the internal disputes procedure. As they are advisers they cannot force pension schemes to take certain action. To contact TPAS, you can write to your local adviser or to:

## Pensions Ombudsman

The ombudsman settles disputes and investigates complaints which TPAS has not been able to settle. He can also settle disputes of facts or law for company and personal pension schemes. The ombudsman's decision is final and binding. He cannot investigate matters where legal proceedings have already started. You must refer your complaint to the ombudsman within three months of the event. The ombudsman is at the same address as TPAS.
