Subject: HMT ANNOUNCEMENT ON PUBLIC SERVICE PENSIONS

Dear Colleagues

You may be aware that the Chief Secretary to the Treasury announced in the House this afternoon a revised offer for public service pension reform. The following is a link to the Government's command paper and related papers (http://hm-treasury.gov.uk/tax_pensions_index.htm).

We also understand that you have recently received leaflets from the LGE about the reform process and what it means for scheme members. To ensure a full and proper understanding of the Government's case for reform and what it is now proposing, it is essential that these leaflets, together with material released by HM Treasury today, are communicated to your employers and their scheme members.

We will be working closely with our own communication team, the Local Government Group and other stakeholders to ensure that you and your scheme members can be kept up to date with developments and proposals.

If you have any queries or comments to make, please send them to robert.holloway@communities.gsi.gov.uk

Regards
